

AMY DALKE ILES

STORY: Amy Iles arrived in Whitehorse in 1990 after she was offered work in Dawson City at a placer mining operation.

Amy worked for the City of Whitehorse in Parks and Recreation and then Bylaw. Later she worked for the Yukon Government Department of Transport.

Amy set up this fund herself to provide an opportunity for anyone who decides to pursue a career in the trades or healthcare, whether they are young or are older and want a change.
