

# DEREEN HILDEBRAND

**STORY:** Dereen Hildebrand (1952 - 2004) came to the Yukon from B.C. and established a thriving commercial and fine art career in Whitehorse. She was a great support to fellow artists and an active member of the Whitehorse community.

Throughout her years, Dereen celebrated life with a strong faith and love of song, portraying life through the lens of a camera and tip of a brush. She is lovingly remembered as a strong and creative spirit who actively sought the beauty in all things and faced every challenge life offered her.
