

# CÄCILIE WIGEN

**STORY:** Cäcilie Wigen (nee Lübcke) (1920 - 2005) moved to Canada in 1952, and then to the Yukon in 1968 with her husband and son.

Cäcilie loved life in the outdoors and liked nothing better than cutting and burning brush and feeding the birds and animals that came near her door, not to mention up to 12 pampered cats.
