

MAYO HISTORICAL SOCIETY FUND

STORY: The Mayo Historical Society was established in 1981 and in 1982 set out to record the rich undocumented history of the Mayo District in book form. Research covered the period from 1850 to 1860. This mammoth task took many volunteers eight years to complete.

The Society received seed money from the Yukon Foundation and the proceeds from the resulting publication, Gold & Galena, now provides seed money to organizations or individuals pursuing a worthwhile project.
