

TIMOTHY BIERLMEIER

STORY: Timothy James Bierlmeier (1970 - 2011) was born and raised in Dawson City.

After high school, Tim worked as an electrician. He moved to Whitehorse in 1993-94, and in 1999 started working for Dynamic Systems.

Tim met Richelle in 1994 and they enjoyed many wonderful years and three children together.

In 2003, Tim went off to work in Alaska, visiting several northern communities, loving the adventure of it all.

Tim loved life. He was the “superstation funhouse guy” and that is how he will always be remembered.
